Subject: Ontario Physical Education Safety Guidelines

Mr. Roy,

By this letter, we confirm having reviewed the Alpine Skiing/Snowboarding/Snowblading section of the Ontario Physical Education Safety Guidelines. Le Massif de Charlevoix offers a safe environment for all its clients, in compliance with all applicable rules and regulations to which it is subject to under its jurisdiction. For the part of the Guidelines under the responsibility of the ski area, such as the operation of the facilities, qualification of ski school instructors and rental of equipment, we confirm that Le Massif de Charlevoix meets the requirements of the above-mentioned Guidelines. However, Le Massif de Charlevoix cannot be responsible for the supervision and application of the Guidelines which need to remain under the responsibility of each school administrators and their respective teachers and other supervisors.

Best Regards,

**Sébastien Thériault**  
Sales Director
