SKI and SNOW BOARD CLUB 2019

Dates: Thursday - January 17 & 31, and February 7 & 14 2019 @ Mont Cascades

Helmets: Helmets are mandatory for ALL snowboarders and skiers. Wrist guards are recommended for snowboarders. These are not included with equipment rentals.

Membership: If there are more applicants than spaces, we will draw to select students. If a student is not selected, the cheque will be returned home with the student. If chosen, students will participate in an information session regarding concussion awareness and prevention prior to the first excursion. Students who are not able to attend will NOT be allowed to participate.

Attendance: If you are selected and unable to attend any ski club outing, please try to inform one of the teachers in charge for attendance purposes. No refund for missed evenings can be issued. Ski Club dates are set and you must know ahead if you are available those nights. Money cannot be refunded if you miss an evening for any reason. The bills must be paid!

Student Conduct: Ski Club membership is a privilege. Students are expected to conduct themselves in a mature, respectful manner at school, on the bus and at the ski area. Behaviour which is disrespectful and/or hazardous will result in termination of membership with no refund.

Equipment: Students are responsible for their own/rented equipment & for being on the hill in time for lessons.

Bussing: Busses with supervising teachers will take students from St. Mark High School as soon as possible after 2:20 p.m. dismissal. (Students do NOT leave classes early). We will leave the ski hill at 8:05 p.m. and arrive back at St. Mark before 9:00 p.m. It is the student's responsibility to arrange for someone to drive them home from the school. **When the bus returns to St. Mark, the students will not be allowed back into the school.** Students are, therefore reminded to take their school bags with them to the ski hill. These bags can be left on the bus throughout the night.

**Please note when the bus returns to the school, there is no supervision.
